## a student's day involves action

**M**otion was everywhere, especially in a school the size of Euclid High School. The student's day began after they arrived whether by bus, car, bicycle or by just walking. Once at school there was more motion in the hallways than anywhere else. From geometry on the 1st floor to history on the 3rd floor, from lunch in the cafeteria to Spanish on the 2nd floor, there was motion. Upstairs, downstairs, left and right, moving from class to class, whether walking, running or skipping, most of the students got there in time. At the end of the day, the process was reversed and the students returned home in preparation to repeat the process the following day.

Superintendent of Schools, **Kurt Stanic** and head football coach, **Tom Banc** gave talks at a rally held on September 30 to get the school levy campaign in motion. **Chrissy Zivnoska**, **Patty Mogyorody** and **Mary Kunes** are really in motion during the halftime show while student director, **Eric Carlson**, looks on.

**Mike Gibaldi** and **Dawn Adams** find that walking is a good way to get to school. **Jennifer Wolenski** and **Kim Swearingen** walking to the building from the parking lot. **Melanie Shippitka**, **Rosatyn Miranda** and **Renee Pecnik** walking through the halls on the way to their classes.

# In Motion

One of the changes that occurred at Euclid High School this year was the employment of an independent security service. **Patrick Cater** from Allinto International helped to maintain order throughout the building.

**M**otion was everywhere at Euclid High School. One important motion that occurred this year was the change in principals from **Mr. Mc Guinness** to **Mr. Scoggan**. **Mr. Scoggan** came from Oklahoma with a positive attitude and many new ideas. He created, and successfully enforced, new rules and regulations so that students could learn in a safe and healthy environment. He tried to instill into everyone a feeling of pride and dedication. He maintained a level of fun and spirit in the school by planning several afternoon pep rallies, saying the Pledge of Allegiance and singing the Alma Mater in homeroom. He was a dynamic person who was very articulate and always moving.

-Jessica Kochis

There was always plenty of motion at the football pep rallies.

Freshmen were new students to Euclid High School and were always impressed by the size of the building.

# year begins with new leadership

Exchanging countries, languages, parents, teachers and schools, the exchange students were very well accepted by the students at Euclid where they had to learn a lot of new customs and ideas. **Arnaud Jacob** was one of the foreign exchange students shown at an AFS meeting being presided over by Mrs. **Barbara Ramlow**.

-Tati Marteletti

**Kevin Bremer** showed a lot of motion on the football field after he intercepted this ball and returned it for a touchdown.

Another foreign exchange student was **Andus Bramsen** who is also shown at an AFS meeting. The students enjoyed the pep rallies since there was lots of motion.

# Students

**T**he tackles and interceptions made by the football team, the defense and shots made by the basketball teams, the running and jumping of the track teams and all the other movements made by all the other sport's teams along with the cheering of the enthusiastic fans made it truly a year in motion.

-Tati Marteletti

# STUDENT LIFE

**W**hat is it like to be a student at Euclid High School? Some students arrive early in the morning in order to get ready for their classes. Homeroom begins the day for everyone. Classes, lunch and study halls continue until 2:27 P.M. After school there are numerous activities and sports that the students can participate in. Many students go home immediately so they can go to their job. Others just hang around with friends, go shopping or watch TV.

## North green with envy as Euclid sparkles

**E**uclid's Homecoming festivities were kicked-off with two Panther faculty members being inducted into Euclid's Hall of Fame. **Mr. Serra** and **Mr. Addis** will have this night to remember for the rest of their lives, thanks to the Panthers. The Panthers defeated Eastlake North 42-20 to go 6-0 on the season. The Panthers took a 21-7 lead with 13 seconds left in the first half. While **Bob Lemieux** and **Melissa Powalie** were taking their crowns at halftime, the Euclid players were getting ready for another half of football. They were ready, coming out and scoring twice in the third quarter. On a 18 yard hook-up from **Mike Yurchich** to **Raeshuan Jernigan** and on a 10 yard run by **Pepe Pearson**. **Mario Hall** ended the attack with a 15 yard run in the fourth quarter. Pepe wound up with 145 yards on 23 carries. While Euclid's stingy defense had a excellent game holding North to 47 yards rushing. The win guided the Panthers to a great Homecoming weekend.

# Emerald

The day began bright and early as Student Council did a magnificent job in transforming the E-Room into an Emerald City, and in creating the perfect atmosphere for Homecoming's theme, an **Emerald Escapade**. Accordingly, the E-Room was embellished with the colors of gold, purple, and green. Colorful streamers animated the walls and windows while the traditional helium balloons illuminated the ceiling. One of the highlights of the evening was the Court dance of Queen, **Melissa Powalie** and King, **Bob Lemieux**. First senior attendants were **LaTonya Smith** and **Raeshuan Jernigan**, and second senior attendants were **Dawn Jerele** and **Kebby Wilson**. The rest of the Homecoming court consisted of junior attendants **Kelly Moyer** and **Dante Allen**, and sophomore attendants **Wendy Lapuh** and **Kyle Bush**. To commemorate the evening, on their way out couples received emerald green mugs along with many lasting memories of a wonderful evening.

# "I need the money..."

so I go  
to **WORK**

**H**aving a job is was a big part in the life of most students at Euclid High School. As the students progress through the grades they realize that there are more and more ways that they could spend money and having a part-time job was one way to get it. The younger students would do more work around the community for their neighbors while the older students got jobs with local merchants.

# Home away

a locker is a favorite meeting place for many students

A locker is a very important part of every student's life at Euclid High School. Of course students store school supplies and outerwear in their locker, but it is much more important than that. It is a place to meet friends and for some it is a means of expressing creativity. Many students try to improve the inside appearance of their locker by adding bits of their own personality. This makes their locker unique and more attractive to passers-by when it is open.

# Masquerade

## Winterfest was a good reason to

**O**n February 13, Student Council held its annual Winterfest dance in the E-Room. Approximately 200 people attended the dance, all agreeing that it was a spectacular evening. The clothes that the guests wore made the room a very beautiful place to be. This year's theme, "Moonlight Masquerade," was brought to life as the E-Room was glorified with the colors of black, white, red and silver, setting the perfect mood for the Valentine holiday. Adding a bit of mystery to the evening, masks were found hanging from the ceiling and on the walls.

Unfortunately, due to the lack of both male and female candidates for the honor, there were only four members of the Winterfest Court. In keeping with the masquerade theme one of the candidates for king dressed up as the 'Phantom' and did not reveal his identity until announced at the dance. **Ken Novak**, who ran as the 'Phantom,' was crowned Winterfest King, while **Kathy Brodzinski** was crowned Queen of the dance. The King's attendant was **Eric Cantini** while **Christana Walden** was the Queen's attendant.

The evening was a tremendous success, for which we owe Student Council and their adviser, Miss **Judith Carmody**, for their time and effort in making Winterfest '93 a most memorable occasion for all who attended.

**E**uclid High School offers students many opportunities to get involved with daily activities. The school offers a complete line of varsity, junior varsity and freshman sports competing in the Greater Cleveland Conference. During the school day many students elect to help out in the offices and the clinic while others help individual teachers. After school many activities such as Model UN, SADD, AFS, Student Council, Survey, Euclidian and many other one time events such as Big Show, Fall Play, Holiday Play, Senior Talent Night and so on give the students who wish to participate in something a chance to do it. Euclid High School is a place in motion.

## Euclid's Marching Band added color, movement and pleasant sounds to half-time

**T**he 1992 Euclid Marching Band performed under a new director. Miss **Diane Tizzano** took over as director and Mrs. **Lisa Cheshire** was her assistant. The season began early in August with all-day practices that consisted of outside morning and inside afternoon sessions. During the year the members practiced fourth and fifth periods and after school on Tuesday and Thursday. The Senior Field Commander was **Eric Carlson** and the Junior Field Commander was **Adam Van Ho**. The band traveled to the Bay Village Festival as well as to several pep rallies in the gym. Although the group was smaller than in past years they managed to put on half-time shows that were enjoyed by everyone.

Majorettes, Row one: Sonia Janezic, Captain, Chrissy Zivnoska, Mary Kunes. Row two: Amy Lindic, Paula Sustarsic.

This year's 1992-1993 Euclid Majorette squad consisted of Captain, **Chrissy Zivnoska** and sophomores **Mary Kunes**, **Paula Sustarsic** and **Sonia Janezic**. These girls strutted their stuff during the half-time shows of the football games. The majorette season began when they traveled to Ashland College for camp. At camp, Chrissy Zivnoska and Paula Sustarsic received the honor of being able to perform in the half-time show at the Florida Citrus Bowl. The girls worked hard to perfect their skills throughout the season. One high point of the season occurred during the Homecoming game when they got a chance to twirl with twenty alumni majorettes. Another part of their routine consisted of twirling fire batons. Throughout the season they accumulated many memorable experiences.

As Marching Season ended it became time to move indoors and get into concert band. Under a new director, Miss. **Dianne Tizzano**, they had a few new ideas. The band made five performances. The season began with a concert at the high school in which selected Euclid students performed with the Hillcrest Concert Band. In the Spring they attended the Ohio Music Education Association (OMEA) contest as a group. There were also two concert performances and an all city concert. The band experimented with some programmatic pieces that told a story so they not only played the piece but also created a visual dramatization.

The band consisted of many talented players. President, **Greg Bauer**, said "They are all good eggs." Miss **Tizzano** said "The Concert Band was a talented group of students to work with and I looked forward to the performances."

Row three: Kathy Gibbons, Carrie Sharp, Katrina Sharpe, Bridgette Atlas, Tiffany Hicks, Margaret Good, Director Mrs. Lisa Cheshire.

The Euclid High School Orchestra really underwent a change for 1992-93. There were many new members which increased the excitement, volume and quality of the pieces. One important part of the orchestra that did not change was director Mrs. **Lisa Cheshire** who commented "I am very proud of the high level of musical achievement this ensemble has displayed in addition to their esprit d'corps. That makes this group a pleasure to work with." Performances this year included a Winter and a Spring concert and several visits to nursing homes to play selected concert pieces.

Everyone worked hard to learn the music, however, President **Beth Blatnik** believed that "If you look past the educational aspects you will find good musicians and everlasting friendships."

Row three: Alana Roberts, Narieka Lewis, adviser, Michael Petterson, Rosalyn Rainey, Narketa Wooten.

New to Euclid this year was the Voices of New Life Gospel Style Choir which was directed by Mr. Michael Petterson. The choir performed during lunch periods in February to commemorate black history month. Their performance consisted of singing and several skits. The purpose of the group was to be a combination of the old and new life and not the old traditional style of Black History. Adviser Michael Petterson said "it's going to be a more up-to-date kind of thing. We want to show a side of history that we're making today. We want to bring those that have fallen back up and we believe it takes a new way. A new beat instead of the old traditional style...We're basically a non-traditional choir, out to send a non-traditional message."

# Jazzin' it up

## E. 222nd St. Jazz Band brings out the rhythm

**T**his year, East 222nd St. Jazz saw many new faces, including the new director, Miss. Diane Tizzano. Nothing defeats the power of jazz, though, as the band stormed to the pinnacle of the year, a performance at the prestigious Lakeland Jazz Festival on March 5, 1993. This was not only a year of group achievement, but one of individual achievement as junior **Marty Witczak** and sophomore **William Preston** were selected by audition to play in Jazz Impact, a regional ensemble of the best high school jazz musicians in the area. The legend continued...

**V**arsity Chorale under the direction of Ken Ferlito and Bea Grushcow got off to a soaring start for the 1992-93 school year. They had to learn lots of music to prepare for the many places they performed throughout the year. Before Winter vacation they gave several performances in the Euclid area and at the traditional Winter Concert at Euclid. In April they traveled to Disney World to compete and had a chance to make Euclid proud.

The club had many new members for the 1992-93 season who all had to learn to work together. They had lots of help from the new directors who helped the group pull together and be proud of the name they carried. There were many seniors so the same problem occurred in 1993-94. In order to keep going as a group they had to find more hard working and dedicated students in the future.

## Fall play shows stresses caused by family relocation

**M**eat Me In St. Louis was a wonderful family story for young and old alike. Set at the turn of the century in St. Louis, **Meet Me In St. Louis** told the story of a family forced to leave the home that they loved. Mr. Smith (**Todd Shuskey**) recieved a promotion from his boss Mr. Dodge (**Chris Di Biase**) but he must move his family to New York. Along with falling in love and derailing trolleys, this move was the last thing his son and four daughters needed. With the comic relief of a busy-body neighbor, a sneaky assistant and a helpless kitten, **Meet Me In St. Louis** was a hit! Fun for audience and cast alike.

Martha Urh and Tiffany Highland are searching for their little sister in the forest.

**J**ump on aboard Teddi Tooter's Toyland Express. A few of Santa's deer we see. We are now approaching the North Pole. The Toddletots are working hard in the toyshop building toys for little girls and boys. What happens when the Toddletots little sister runs away? There is Trouble in the Toyshop.

The 1992 Holiday Play was called Trouble in the Toyshop and was written and directed by **Judith Carmody**. This wonderful and surprising play was full of adventure and suspense. The Toddletots picked on their tiny sister, Terina, by saying that she was of no use. She ran away and got lost in the forest. Mortimer the Moose found the tiny toddletot and with the help of elves, Holly and Jolly, brought her back safely to her father, Mr. Terrence Toddletot.

Before they arrived, however, Granny Grumbleskin, cast an evil spell on the Toddletots so she could sabotage the toy shop by preventing them from fulfilling their obligations. Kringle Krangle, the toyland supervisor, however, got everything straightened out before the arrival of Santa Claus.

# "GOOD MORNING

## P. A. announcers and Media Aide

"Gooood morning Euclid Panthers!!!" This early morning wake up call rang through the halls of Euclid every morning during homeroom. The creative announcers tried very hard to make each morning's news enjoyable and fun to watch.

The announcements were broadcast every morning on the Whittle Communications televisions that were installed in each homeroom two years ago. Included in the morning news were club announcements, sports highlights, senior birthdays, and Bob "the weatherman" Lemieux's famous forecasts.

A new twist was added this year by Principal Scoggan. The Pledge of Allegiance was said on Mondays, and the Alma Mater was sung by Varsity Chorale on Fridays. This helped to promote "Panther Pride".

# "I'm not feeling very well"

## Clinic Aides help keep the clinic running smoothly

Where did you go when you weren't feeling very well? To the clinic, of course. In a school the size of Euclid a day seldom went by in which there weren't some people who got sick. When you were sick you went to the clinic. The clinic was staffed by health aides, Mrs. Mickey Segulin and Mrs. Donata Schultz but it was the clinic aides who helped them out by performing many of the simple little tasks that had to be done. Things like getting ice in bags for the many cuts and burns and strains and sprains that the students suffered. Things like answering the phone, picking up the mail, covering people with blankets, making sure students signed in, and communicating with the attendance office when a person had to go home. Not everything that went on in the clinic dealt with sickness, however. The clinic aides also helped out by giving vision tests.

The clinic aides wanted to help others and did not want to spend time in study hall. Some had aspirations of going into the health fields but others found out they were afraid of blood.

## the Survey reports what's happening in the school

The Survey reflected the attitude of Euclid High. With Mr. Rick Wherley as adviser there was more organization. There were student editors who clarified mistakes and watched for pieces that would attract attention. The photographers revealed the faces of Euclid. The photos were developed in Euclid's own photography lab. The layout team organized the paper (which was now printed on recyclable paper). The articles presented problems and difficulties that all teens face in trying to wake up to reality.

The survey was produced camera ready on Macintosh computers using desk top publishing programs.

**B**onjour! Salute! Guttentog! These were all common greetings among friends who belonged to AFS (American Field Service). This was a multicultural organization around the world that hosted and helped to support the international exchange of students studying abroad. This year, Euclid was lucky to be the host of **Arnaud Jacob** from Paris, France.

The members had fun learning about the different cultures around the world from the many members of AFS who weren't from America. They were able to learn about the Philippines, Brazil, India, France and the many other nationalities that were represented in the club.

Under the organization of advisers, Mrs. **Barbara Ramlow** and Miss **Jane Addis**, the members were able to participate in such activities as a pumpkin carving Halloween party, fund raisers, secret Santas and a Christmas Party. The members were also invited to bowling parties and sleep-overs from other AFS clubs in the area. Everyone who was interested in learning about other peoples and cultures enjoyed AFS. It was a great way to have fun and to meet new friends from all over the world.

# STUDENTS HELPING STUDENTS

## being a peer tutor helps both tutor and tutee

Peer Tutors were students who volunteered their time to help their classmates. Students who were having trouble in their classes could request a Peer Tutor through their counselor. The students would then get together, usually in the Library, during their study halls, lunch periods or after school and the tutee would get needed help. The tutor would benefit since he or she was helping someone else and it gave them a chance to review their information. The Peer Tutor group was organized by Ms. **Barbara Spiga**.

**D**E.C.A. (Distributive Education Clubs of America) was the student run club that coincided with Euclid's Marketing Education class. Euclid's program was designed for juniors and seniors who were interested in a career in marketing and management. In their junior year, the students attended classes and studied the stock market, business finance, marketing research and many other business related activities. Seniors spent part of their day in school learning about everything from job interviewing, to advertising and sales. During the remainder of the day they were employed in retail establishments within the Euclid area in a variety of retail, wholesale, or service capacities. In D.E.C.A., students competed against other high school students on the local, state and national level in areas related to their career interest.

On October 16, 1992, they participated in the annual D.E.C.A. Fall Delegates' Conference at Lakeland Community College. Six of the top ten awards in the business competition with 13 other high schools went to Euclid students. **Joe Brkic, Michelle Fogarty, Kelly Marunowski, Karly Kovac, Mike Doolin and Jolie Negrelli.** Mr. **Jim Presot** was in charge of the organization.

# Learning how countries interact

## Model U. N. allows students to play the role of ambassadors

A chance to speak your mind...an opportunity to work with students from other schools...a way to get informed about current events and past history at the same time...all of the above were possible with Model United Nations. Advised by Miss. Susan First, members were split into groups which represented countries. The groups then presented their country's status on issues in the form of resolutions, just like the real thing. This year's issues at the 48th Annual Model United Nations which was held at Cleveland State University were: the environment, human rights, and peacekeeping. The Euclid delegates represented Croatia, South Africa, Lebanon and Guatemala. Once again, many schools were involved and much was learned about the world and its problems.

In its fourth year at Euclid High School, Students Against Drunk Driving continued to become increasingly popular as more and more students became aware of the dangers of driving drunk. Each year S.A.D.D. distributed reminders to students before such events as Homecoming, Winterfest, and Prom urging them to refrain from the use of drugs and alcohol, and also to avoid drunk driving at all costs. Other activities sponsored by S.A.D.D. this year included the Prom promise, the red ribbon campaign, and educational puppet shows teaching children the dangers of drugs and alcohol. # The world of 1992-93

Like any year, 1992-93 was one of constant change. Some of the events that made that year unique were the riots that occurred in Los Angeles in the Spring because of the Rodney King hearings and trial. That caused many Americans to question how much the media should and shouldn't publicize. Americans questioned their ideas about personal prejudices and racism. Many talk shows discussed what was going on throughout the country. Loyal royal watchers of England's royal couple, Charles and Diane, watched faithfully to see what would happen next in their stormy lives. The big question being whether or not they would stay together and was divorce a possibility? Hunger and starvation ravaged the small country of Somalia in eastern Africa. It brought all the peoples together to help fight a war on hunger. President Bush sent American troops into the country to insure that the food would get to the people that needed it. Many relief workers donated their time and help to fight the war. Another war raged in Eastern Europe. The Serbs wanted control. The war in Bosnia continued as people fled the country. Iraq was still a pain to the rest of the world. Saddam Hussein continued his defiance of the U.N. inspectors and continued to challenge the rules that were set down when he agreed to surrender. Russia found out that trying to convert to a capitalistic economy was not as easy as they thought it would be and suffered from high inflation and government uncertainty. Bill Clinton was elected the forty-second president of the United States by promising to help the economy and reduce the budget deficit. He appointed his wife, Hillary, to head a special task force on the nation's health care system to try to instill needed reform. A.I.D.S. was a very popular topic of concern for the medical profession. The number of cases kept increasing and taking care of them was becoming a bigger and bigger problem. Too many people still did not take the problem seriously. Europe was in the middle of a recession and the United States seemed to show a slight recovery at the end of 1992. The weather was very unusual with a dry Spring and then a very wet and cool Summer and wet Fall and warm and wet Winter. California had record rains and floods while the East was cold and snowy. No matter how you look at it, the year was not boring.

# Moving the books around

## Library aides put the books back where they belong

**H**ave you ever wondered why you could always find all of the books and magazines in the library? Well, it was because of the hard working pages, who volunteered their time during and after school, to keep the library neat and organized so that the staff and students could find all of the materials they needed for their research. In order for the library to be useful the books had to be kept organized. That was why it was very important to never return a book to the incorrect position on a shelf. By leaving them on a table the pages could return the books to their correct locations. If you returned a book to an incorrect position it would be lost as far as the library was concerned and of no use to anyone.

## Eucuyo gives students a chance to see their works in print

Once again Euclid students have pulled out the stops with their creative minds and ideas. The Eucuyo was a magazine consisting of literary and art works submitted by Euclid students. The students expressed themselves through poetry, essays, short stories and drawings. The magazine gave the students an opportunity to show off their unique emotions and abilities. Under the leadership and coordination of Mrs. Carol Tkac and Mrs. Mary Lomac the Eucuyo staff made a wonderful magazine that enabled students to have their creative efforts published.

## Yearbook captures events of 1992-93

The 1993 yearbook was the product of countless hours of work put in by Euclid students and adviser, Mr. **Bill Von Benken**. Students were organized to take pictures, write the stories and captions, plan the structure of the book, make the layouts for each page, enter all the information for each page, and sell and distribute the books. The entire book was produced on a Macintosh IIsi computer using PageMaker® 4.2 as a desktop publishing program. The book tried to produce a history of what happened at Euclid High School during the 1992-93 school year but in a school the size of Euclid many things were no doubt omitted. We were sorry for this but we tried to cover as much as possible.

National Honor Society (NHS) was an organization that praised students who did well in their studies, had good character, community and school service. NHS organized different activities throughout the year like doughnut breakfasts and sundaes during lunch time for those high school students who made the Distinguished Honor Roll and the Honor Roll with their quarter grades. NHS acknowledged those students who were excellent achievers in school and were also active in their community. The organization believed that education and service were the keys to realizing a bright future. It congratulated all those students who strived to be the very best in their personalities and their studies. Mrs. **Bette Schmeling** was the adviser for the group.

**S**.A.V.E. (Students Against Violating the Earth) was a group of students that was dedicated to helping their environment. Meeting every Wednesday, S.A.V.E. organized activities that educated and activated awareness within the school. They distributed green garbage cans throughout the school that were for the collection of beverage cans that were then recycled. "It is hard to believe how many cans are thrown away in a school the size of Euclid," remarked S.A.V.E. founder **Ginger Pomiecko**. Recycling could save a lot of energy if everyone would participate in it.

S.A.V.E. was founded by **Robyn Barwidi, Ginger Pomiecko and Dawn Medved**. Mr. Frank Jablonski was the adviser for the group. It is hoped that the club will be able to continue under new members in the years to come.

"We plan to inform students about the environment and do our own active things that will help. There wasn't a S.A.V.E. when I came to the high school but I made sure there was one when I left."

# Spirited fun

Boo!! Scared ya didn't I? Halloween arrived at Euclid with a variety of students and staff participating in their own unique way. There was the usual variety of babies, harlots, strange looking women and monsters. No one would ever forget the flashback to the groovy time of tight leather pants, wild paisley print and bell bottoms that some of Euclid's more adventurous senior males dressed as. Many fun original ideas were created at the school this year. A special warm thank you went out to all of the Student Council members who continued the traditional Euclid High School Community Halloween party. The students continued a tradition of dress-up that hopefully will be continued into the future.

## Wai Napolo moves together in the pool

**W**ai Napolo was a synchronized swim club that performed stunts in the water such as open and closed oysters, back and front walkovers, ballet legs and many others to music at their annual Synchronized Swim Show held in the Spring. This year's theme was "Title Waves", which allowed the girls to pick any songs that they wanted, to go along with their graceful stunts.

The girls practiced hard after school during the winter and early part of spring in order to be able to produce their absolutely beautiful show at the end of April. The officers for the 1992-93 school year were President and Senior Show director, **Lauren Scheurman**, Vice-President, **Jenny Wolchko**, secretary, **Karen Gezan**, treasurer, **Carissa Scott**, historian, **Kristin Kish** and Junior Show director, **Melissa Nagode**. The adviser for the club was Mrs. Katie Morris.

Continuing a lasting tradition of creative and organizational excellence, this year's Student Council once again managed to reach many of its goals. Under the direction of sponsor Miss **Judith Carmody**, President **Stacie Evans**, Vice President of Finance **Lisa Gavin**, and Vice President **Melissa Powal**, Student Council did an outstanding job in organizing such events as Homecoming, Winterfest and Prom.

However, contrary to the beliefs of many, planning and decorating for the dances was not Student Council's sole responsibility. In fact, many of Euclid High School's activities relied heavily on the aid they received from Student Council. Student Council was responsible for such events as the Senior Citizen Prom, the Children's Halloween Part, blood drives and food drives, and for adorning the cafeteria with an overwhelming sense of holiday cheer before winter vacation.

Perhaps for some, though, the most important responsibility belonging to Student Council was that of organizing and raising money for Prom. For without Student Council, certainly there would be

no Prom. This year, Student Council initiated such fund raisers as the penny war, friendly "candy grams" during the holidays, Senior Elf Day, as well as a fashion show.

Without a doubt, many of the events and activities at Euclid High School were sponsored and executed by Student Council, whose members should definitely be recognized for their hard work and dedication.

# Cheering

## Cheerleaders do a lot to keep up spirit

As the 1992 football season approached, many changes in the cheerleader squad followed. This was all due to new advisers who brought new ideas with them. In July, the squads attended Cheerleading Camp at Ashland University where they improved on old skills and learned new skills and techniques. The varsity squad was led by captains **Lauren Scheurman** and **Laura Nickell**. The cheerleaders time was spent making signs to decorate the school and stadium and to raise the players spirits. The strong effort put forth by the football team made it easier for the cheerleaders to get the crowd into the game. Despite the unpredictable weather conditions a football season seems to bring, nothing could stop the spirits of the players, the cheerleaders or the fans. Thank you Panthers for giving us something to cheer about.

As... "Swish, put it in, two points to win..." sounded from the gym, yet another season of cheering for Panther basketball began. It was a long season with many times there being two games in one week. The J.V. and Varsity cheerleaders had a double dose of basketball as each squad attended both games. Practices were held several times each week after school in the E-room for two hours. The cheering was kept new by learning different cheers and chants and doing new gymnastics and lifts. Basketball season lasted through February so the girls were busy until then. After the season was over the squad got some rest before having to undergo tryouts for Fall sports. Mrs. Bonnie Smith was the adviser for the group.

**E**uclid High School has a tradition for winning both on the athletic fields and in scholastic achievement. Many of Euclid's students participate in one or more sports and the school has a complete line of activities that they can enjoy. From football, soccer, volleyball, cross-country, golf and girl's tennis in the Fall, to basketball, swimming, indoor track, wrestling and hockey in the Winter, to baseball, softball, track and boy's tennis in the Spring there are many sports that any student can choose from.

# Almost first in GCC

conference championship foiled by last game loss

The 1992 Panther football team gave Euclid High a great season. The panthers finished the season with a 9-1 record and second place in the GCC. The panther offense was slow to start but once it got going it rolled up some big numbers. Last season both **Pepe Pearson** and **Raeshuan Jernigan** were running backs that gained over 1000 yards. This season, Head Coach **Tom Banc** figured that Raeshuan would be more dangerous as a wide receiver since that would open up the offense from just a running game and give Raeshuan a better chance of succeeding on a college team since he is too small for a running back. The idea worked well as **Pepe Pearson** led the running attack with an area high 1570 yards, **Mike Yurcich** passed for 1083 yards and **Raeshuan Jernigan** led the receivers with 44 receptions for 606 yards.

While the panther offense struggled early the team's defense kept them in the games. It was the defense that came up with the key turnovers to give the offense the ball.

The team had many talented people and many players were named for special recognition. **Pepe Pearson** was named Co-

offensive player of the year. First-Team players were:

**Raeshuan Jernigan, Shawn Thompson, Mike Yurcich, Willie Reed, Adam Reichman and Kevin Bremer.** Second-Team player was: **Jim Shamp.** Special Mention went to: **Jimmie Lake, Bryan Peoples, Eric Cantini and Brandon Biggom.** Honorable Mention went to **Jim Sas, Doug Torzewski and Mike Petterson.** All-District honors went to **Raeshuan Jernigan, Shawn Thompson, Pepe Pearson and Willie Reed.**

The season had many exciting moments and many enjoyable games. This was the last time that Euclid would compete in the GCC since they left that league after the 1992-93 season.

**T**he 1992 Euclid J. V. Football team had a solid season with a 6-4 record. They posted a 4-3 record in the Greater Cleveland Conference. With many players dressing they were able to get a lot of experience which was great for the young players. ## girl's tennis had difficult season

The 1992 Lady Panthers Tennis team worked hard to improve their skills and prepare for the future. The season was a disappointment brought on by numerous injuries, illnesses, inclement weather conditions in addition to the loss of three varsity players who graduated last year; but through it all, the girls stuck together and did Euclid proud with their spirit and dedication. The year's team record was less than hoped for but it didn't tell the story of the hard work and frustration that was played out on the courts. Seniors, **Eileen Hannan**, **Dawn Medved**, **Amanda Rowe** and **Su U** gave much leadership and showed dedication for the rest of the team. **Amanda Rowe** and **Dawn Medved** at first doubles made it to the quarterfinals at Sectionals. After sectionals at Punderson State Park the disappointing 1992 golf

season came to an end. With three returning starters the team hoped to carry the momentum from the year before, but the linksters lost a few close matches early in the year and never seemed to regain confidence. Junior **Tim Brokaw** and senior **Joe McCrone** led the way with consistent solid scores with seniors **Tim Kohanski**, **Brian Bush** and **Ron Siedler** along with junior **Brian Vargo** helping the cause. Despite a disappointing 2-12 record the future looks better for next year with **Brokaw** and **Vargo** looking to lead the Panthers back.

The Boys' Cross Country team had a great season. The team was the strongest it had been in years with the return of lettermen seniors. **Chris Atlas**, **Andy Ehrhardt**, **Brian Francetic**, **Paul Roth** and Junior, **Phil Baioni**. **Chris Atlas**, along with junior **Pat Carney** and sophomore **Ken Shuster** led the team to an 8-2 record in dual meets and a fourth place finish in the GCC. Highlights of the season included first place honors at the North Coast Invitational, a second place trophy at the University School Invitational, defeating Mentor for the first time in 8 years, and to top it all off, advancement to regional competition at Boardman High School. At Boardman five of the seven runners ran personal best times for a team finish of eleventh place. Next year's team will really miss this year's seniors.

# Not enough

## there just weren't enough wrestlers

The Euclid wrestling team started off the season on the wrong note with losses to Hudson, Madison, Cleveland Hts. and Lake Catholic. The following week the team bounced back and showed some strength with a third place tie at the Richmond Hts. Tournament. The next tournament was the Brunswick Invitational and **Shawn Thompson, Jimmie Lake, B. J. Harrison and Bruce Willingham** all placed well. In league play they suffered a close loss to Mentor and were soundly beaten by Maple Hts. Then the team took off, crushing Brush the following week, and then beating North, Bedford and South by decent margins. The season finale was with powerhouse Mayfield where Euclid began slow and exploded in the higher weight classes to end up with a tie. The main problem throughout the season was not enough wrestlers and Euclid had to forfeit many weight classes. The team was coached by **Tim D'Anna, Steve Knaack and Tim Corcoran.**

# G.C.C. CHAMPIONSHIP

## after a slow start Panthers came

The 1992-93 Boy's Varsity Basketball team had it's ups and downs throughout the season. The season started off with two losses in which the team began strong but lost the momentum in the fourth quarter. They won two of their next four games in which key Panther, Gary Meeks was suspended for two games. They then won nine of their next ten games to be tied with Brush for first in the G.C.C. They beat the Arcs in the first game of the season but couldn't do it a second time and ended up second in the G.C.C. for the season. They fought hard but were unable to bring home their eighth consecutive championship. The Panthers ended up 14-6 overall and 11-3 in the G.C.C. The team was coached by "Doc" Daugherty.

At the beginning it seemed that they needed to lose a game to get motivated for the next one, but through the tough coaching of Mr. Dennis Turkall and their tough practices, the team finished the season with a 12-8 record overall and 9-5 in the G.C.C. There will be some good athletes from the team that will help out on the varsity in the coming years.

This year's hockey team started its season off by playing in a Winter tournament in Euclid.

They then went to Canada to compete against Canadian teams. While in Canada, the team not only had fun, but gained valuable experience. They returned home to take part in a very difficult St. Edward's tournament. Although their season got off to a bad start they had an outstanding finish by winning the Division II Baron Cup for the second time in Euclid history. The team also had a great showing at the State tournament, going further than any other hockey team in Euclid history.

The Hockey team played well with new players and old. ## swimmers have to drag their way

The 1992-93 boy's swim team was a showcase of good swimmers and divers. However, even though they took first in more than 50% of the races at almost every meet, they lost many meets due to the scoring system that favored larger teams. Outstanding finishes this year were the relay team of **Kyle Bush**, **Jim Belanich**, and co-captains **Tony Hren** and **Brian Bush** who broke the record in the 4-man 200m free relay. Another highlight of the season was **Jeremy Emerman's** fifth place finish in the Northeast District swim meet. The team was coached by Mr. Lou Davis and practiced before and after school.

# ACADEMICS

**E**uclid has always had a strong teaching and support staff. The motto has always been **Excellent Education in Euclid Schools**. This year the high school got a new leader. **Mr. William Scoggan** took over as the new principal in August. The Euclid staff was a mature one with most of the teachers having fifteen or more years of experience. Because of the financial problems facing the school district there were not many younger teachers since they were not rehired. The enrollment at the high school had been declining for the past decade and has just started to increase. The Euclid staff has always been dedicated to providing the best education possible.

Much learning takes place in a clean, well disciplined classroom.

Many students find that the library is an ideal place to study since it is a quiet place that has many resources available.

Computers are a very important part of everyone's life and the ability to use them will be more important in the future. Learning to type is a skill that everyone should know if they are planning to go to college or into the business world. Euclid has several fine computer labs.

# counselors give students a chance to make choices about their future

The counselors were a very important part of every student's life. It was the counselor who was responsible for making sure that every student took the courses that were suited to them and making sure that they had the proper courses needed for graduation. The counselor's underwent major reorganization during the '91-'92 school year when they were changed to an alphabetical organization. This organization was maintained for the 1992-'93 school year.

# People in motion

The staff at Euclid High School consisted of many dedicated, hard-working individuals whose one goal was to allow every student to get the best education possible. Many of the staff put in long hours at school preparing lessons, making tests, grading papers, and doing all the work that was necessary to keep the education process going. Most people never realized all the work that had to go on outside the classroom in order to make the school function.

# New leader

## principal hoping for more spirit and discipline

The 1992-93 school year began with a new principal at Euclid High School. Mr. **Bill Scoggan** came here after being a principal in Oklahoma. He wanted to come to Euclid because of its variety of special programs, tradition, and economically and racially diverse population. He wanted all students to have an opportunity to learn in a positive environment and that it could be accomplished only if every student understood the importance of maintaining a positive attitude. He expected students to act in a mature, caring way. He felt that spirit was lacking and wanted to have pep rallies to increase spirit.

Bill Scoggan is a man in constant motion who loves to articulate when he speaks. Students were able to express their spirit at the rallies that were held in the gym.

## June levy failure meant fewer people

**T**he failure of a 7.9 mill school levy in June, 1992 coupled with a cut in funding from the State of Ohio meant that the Euclid schools were faced with a deficit for the 1992 year. Because of that, thirty-six teachers were laid off and most field trips and professional leaves were cancelled. Department budgets were cut by 25-50% and many programs were eliminated.

When cutbacks are made in an educational program it is always the students that feel the effects. Classes get larger and equipment gets scarcer.

**Pepe Pearson** and **Nichole Witten** doing an experiment in chemistry class. Science classes need a lot of materials that are not needed by other classes and will be affected by budget cutbacks.

# Wage freeze

## Euclid employees elect to maintain salaries at 1991 level

**B**ecause of the failure of the school levy in June, 1992, all the employee groups in the Euclid schools voted to freeze their salaries at the 1991-92 level. This was probably the first time in the history of the Euclid schools that the employees did not get some sort of raise when negotiating a new contract. This was done to protect some jobs because of the poor economic climate since a pay raise would have meant that more staff would have been laid off because of the financial condition of the school district.

Mr. Ronald Backos, Mrs. Katie Morris and Mrs. Peggy Torzewski all working hard at their jobs throughout the day. They are probably concerned with what is going to happen to the Euclid schools in the future.

## Freshman Foundations tries to give ninth graders a better outlook

**F**reshman Foundations was a new course than began this year to try to help freshmen achieve more. The idea of the program was to teach freshmen better study skills so they would get better grades and, therefore, have a better image of themselves. The course was taught by **Wendy Potokar** and **Dale Hollingsworth** and there were about 280 freshmen in it.

“  
We want to

# UNDERCLASSES

Students enter Euclid High School as freshmen and leave as seniors. Even though there were four grade levels most distinctions were made as to whether the student was a senior or an underclassman. Students work for three years with the idea of becoming seniors. The underclass years were ones of becoming established at the high school, making new friends, finding activities that were interesting and maturing as an individual. The underclass years were ones of major changes for the students.

# 3 YEAR MOTION

Erin Smith, Cara Parise, Renee Thomas, Kris Mihalic, Kyle Russ and Andrea Williams showing how much fun it is to be underclassmen. Erin Harsch, Tiffany Highland and Lisa Iannetta enjoy their walk to school every morning.

Marching Band members, Patty Sheck, Jenny Wolchko, Karen Gezan, Tammi Vicic, Kelly Moyer and Laura Dengel getting together on the practice field during rehearsal. Steve Black and Bina Stitt are friends who enjoy each others company during school.

Kevin Bremer escorting Anitra Pennyman to her class.

Tracy Boyarsky and Margaret Wein are friends who enjoy each other's company during lunch.

Shawn Mowell and Mary Wein also like to spend time with each other during lunch.

# Class of '95

## Getting in the groove

The sophomores entered the 92-93 school year with a more positive attitude than they did as freshmen. Sophomores had lots of fun during the year while enjoying the company of friends at lunch, in the classroom, during sporting events and before and after school. With the experiences learned in their freshmen year behind them, they grew into a more mature class while keeping the teenage spirit.

-Jessica Kochis, Janet Fonovic, Kris Eminger

Wendy Lapuh, Roslyn Miranda and Amy Repko are all sophomores that want to be as useful as possible at Euclid High School.

Many sophomores like Matt Baker and Meredith Bell have to take geometry in order to continue in the math and science programs at Euclid.

Kyle Bush is thinking about all the new opportunities that he has as a sophomore.

# Class of '94

Junior year was a time of increased freedom for the students but also a time when many important decisions had to be made. This was a very important time to begin thinking about future plans. College was in the future for most students which meant that taking the college tests like the SAT and the ACT had to be planned and which schools were attractive. By this time, most of the juniors had their driver's license and were much more responsive and mature than in previous years so most parents gave their children more freedom and independence. One thing all juniors had in common was looking forward to getting through the year and having a terrific senior year.

-Tatiana Marteletti

Debbie Podmore looks as if she is enjoying her year as a junior. Cecilia Miller, Matt Lemieux and Darlene Baird find that science can be fun during their junior year. Patricia Cox seems content that everything is going well during her junior year. Greg Higham, Carrie Morris, Terry De Panicis and Pete Joyce enjoyed each other's company at Homecoming '92.

Shawn Mowell, Mary Wein and Jeremy Wojdak are looking forward to their years after graduating from Euclid.

Jason Pope, Anthony Springer, Kevin Tyree and Mike Yurcich are probably thinking about what the future will present to them.

Jeff Granito is pleased to be at Euclid High School.

"I feel that it is exciting to be here this year and I think there is a lot of things to do, a lot of activities to do. I think this is the funiest year that you can have in high school...a lot of things are going on, just learning new things."

# Deadly disease

## Dr. Steve Sroka talks to Euclid students about A.I.D.S.

**O**n Tuesday, November 17, a special assembly was held in Euclid's Auditorium after Homeroom in which Dr. Steve Sroka, a professor from Cleveland State University, talked about A.I.D.S. He presented many of the facts and myths about the disease in a quick-paced, humorous and down-to-earth manner that was enjoyed by all. Since A.I.D.S. is increasing at such an alarming rate, it was important for the students to hear all the facts about that sickness. His information was well received and he was given a hearty round of applause when he concluded.

"Although in Euclid the factor is not much seen, A.I.D.S. is something everyone has to worry about for the sake of the future"

-Daina Butkus

# START THINKING

## juniors begin their

One of the most important things that went through the minds of juniors was concerned with what they would be doing after graduation from high school. Many Euclid students intended to go on to higher education which meant thinking about all the requirements for college. Taking college preparatory courses began before the junior year but the two big preliminary college entrance tests, the P.S.A.T. and the P.A.C.T. could be taken during the junior year in preparation for what was required for seniors. Many juniors visited colleges in order to familiarize themselves with some aspects of college life.

"As a junior you get more authority, people start to respect you...you are looking forward to college and a career and what all you will want to be."

-Tony Rozic

Cecilia Miller, Matt Lemieux and Stacy Meden know the advantages of higher education and are planning their future by researching their fields of interest in the Library.

Euclid students got information about future choices from assemblies in the Auditorium. Marsha Appling and Isaac Bonner are taking chemistry to help prepare themselves for college.

"Even though college is a year and a half away, our preparation has already started. The PSAT and PACT tests are preparing us for the diligent studies we will encounter in college. Being a junior, I am really looking forward to the experiences ahead of me. I think college will be an exciting adventure."

# SENIORS

**T**he class of '93 waited thirteen years to get to where they were. They endured all the hardships that students had to go through to get to that point of their lives where they graduated from high school. For some high school would be the end of their formal education, but for most this was just the beginning of an educational process that would continue for the rest of their lives.

## in YEAR

# MOTION

The senior class is one that defines motion. Maria D'Amico and Alana Roberts were part of the Marching Band that supplied of motion to the football games. Mark Kwiatkowski, on the other hand, had his motion severely diminished during the Cleveland Heights game when he strained his knee and missed much of the season.

The members of the Marching Band supplied much motion to the football games.  
 Brian Newsome would use the motion of his car to get to school each day.  
 John Kobe, Brian Francetic and Dan Carlton discussing where they will be going after class.  
 Meshuan Jernigan catching a pass and about to go into motion.

# Class of '93

# Enjoyment

## most seniors enjoyed Euclid High School

A poll was taken of all seniors asking whether or not they enjoyed their years at Euclid High School. There were over one hundred responses. The students said that they enjoyed their years at Euclid by more than a 2 to 3 margin and only a little more than 10% said they didn't enjoy them.

Joyce Ashman seems to be really enjoying her meal in the cafeteria. Raeshuan Jernigan is thinking about all the wonderful times that he had while at Euclid High School.

# Does that compute?

## Euclid students are accustomed to computers

Are you afraid of computers?

Yes (5.9%)

Maybe (9.9%)

No (84.2%)

**E**uclid High School has many different types of computers that the students can learn to use. The Macintosh lab allows students to learn the intricacies of desktop publishing while labs with machines running MS-DOS programs enable students to learn about business practices. Because of that, when asked if they were afraid of computers, almost 85% of the seniors said that they weren't.

# Sneakers

most students don't wear expensive shoes

Have you ever paid more than \$100 for a pair of athletic shoes?

Some students felt that the price of their shoes was an indication of how important they were, but most students at Euclid (almost 75% of them) were content to wear athletic shoes that cost less than \$100.

The cheerleaders all wore the same kind of shoes to show their unity.

**Jimmie Lake** coming off the field after the defense got the ball back for the offense. His shoes were the usual cleated type that was useful on natural grass.

# This is only a test

most students think tests are necessary

**Y**ou heard it all the time. "Oh no, not another test?" Everyone always complained about having to take tests but only about one third of the seniors thought that tests were unnecessary and most of them felt that they were necessary to get a fair evaluation of their progress.

Do you think tests are necessary?

Denice Virant understands the value of studying for tests so that she can do as well as possible. Anita Zajec and Roxanne Babic are working hard in class to achieve as much as possible. In order to accomplish anything it is very important to practice. In class you learn to practice what you will need on the evaluations.

# Study time

most students do not study very much for tests

Did you ever study  
more than thirty minutes for a test?

**H**ow much studying was really done by Euclid students for their tests? Many people talk about how hard a certain class was but a poll of seniors showed that almost half of them never studied more than 30 minutes for a test. If someone was trying to pass a class, they should spend more than 30 minutes studying for the tests.

Gary Dwyer and Mario Durant take their books to class so they can have an idea of what to study for the tests. Joe Mc Crone seems to be counting the time that he has been studying while Brian Bush enjoys what is going on in class. National Merit Semi-Finalist, Mike Cating spends much more than 30 minutes studying for tests.

# Bookin' it

## students use library as a resource center

The library was an excellent place for both study and as a source of materials for research projects. However, only about one-third of the seniors who were polled said that they used the library regularly. This was a shame since the library was such a good place to procure needed information.

Students could have used the library to complete many of the assignments that Mr. Bleich made. Erneiliza Brown and Kim Bischof often studied in the library since it was quiet and offered a place to get needed information.

Mrs. Torzewski was always around to help students who were in need.

# Affection

## most of Euclid's students have pets at home

**T**aking care of an animal was an excellent way to learn responsibility. When asked if they had a pet, more than half (55%) of Euclid's seniors responded that they did. This, of course, did not mean that they were responsible for taking care of the animal but at least they were in a situation where the affection of the animal was felt.

# Accidents will happen

## but many teenagers are careful drivers

Have you ever caused a  
three or more car accident?

Yes (5.9%)

Maybe (5.9%)

No (88.1%)

Getting your license was one of the highlights of every teenagers life. This allowed greater independence for both parents and students. Often the lack of experience, the desire to flaunt their mobility or the fact they were driving under the influence of drugs or alcohol has led to many automobile accidents. Seniors were polled as to whether they had ever caused a three or more car accident. Luckily, only a few (6%) said that they had.

-Alice Ferenac

Monique Jurgensen, Alice Ferenac, Meg Wolchko and Jenny Wolchko are happy to make it to school without having an accident. Patty Cox, Helen Abramovic, Todd Shuskey, Dan Burke and Ben Carroll moving out of their car and ready to go to classes.

# In trouble again?

## are disciplinary measures too strict?

Do you believe that discipline  
is too strict at Euclid High School?

In a survey of seniors, the question, "Do you believe that discipline is too strict at Euclid High school?" was asked. Only a little more than 40% believed that discipline was not too strict. This year's addition of new security guards helped to maintain order throughout the school.

-Jennie Wolchko

Most of Euclid's students are trying to get an education and are hard working young adults and are not discipline problems. John Kobe is certainly not a discipline problem as he stands outside his classroom door.

# Crime and punishment

## most seniors say discipline is not biased

Do you believe minorities are punished differently?

The Euclidian staff asked the seniors whether they believed that minorities were punished differently from other students. Less than 30% of the seniors thought that they were. Polls were sent to every senior, however, only a little more than one hundred were returned. Since there were more than three hundred seniors this meant that two-thirds of the seniors did not take part in the poll. Most of the seniors that did not respond were minorities.

# Santa's little helpers

Elf Day gives seniors a chance to raise money for prom

Many people asked, 'What was the meaning of Senior Elf Day?' Or 'What was Senior Elf Day for?' Well, Senior Elf Day was a way for seniors to raise money to lower the cost of prom bids. It has been around for many years and occurred on the last day of school before winter vacation. Seniors sold tickets to any other students or faculty member. Once all tickets were sold, each senior picked one ticket and the person's name on the ticket was the Santa and the senior was the elf. The elf followed the Santa around during the day and did chores for the Santa. It was an enjoyable time for all involved.

# Seniors in motion

many seniors were involved in extracurricular activities

**T**ime spent in class was a very important time for all students at Euclid High School. But just spending time in class was not enough to get a well rounded education. Many students participated in extracurricular activities while they were at Euclid. Here is a list that the seniors turned in as their extracurricular activities while attending Euclid.

Amy Von Sick and Eric Cantini were two seniors that were involved in many extracurricular activities. Both were in Student Council and helped organize senior activities.

# Career

# Explorations

**new program gives students a chance to see jobs in action**

**D**o you know what you want to do with the rest of your life? That's okay, neither do a lot of Euclid High School students. Or you may have an idea, but...is it the right idea? A new program, Career Explorations, attempted to help students answer those questions and others concerning their career choices in the future by offering them real, on-the-job experience now. The program involved 72 students, grades 9-12, who took part in a one-week internship over Spring Break with someone involved in the career field of their choice. Mrs. **Deborah Rudder**, whose office was located in the career office, put much time and effort into helping students decide on internships, and eventually setting them up. Among the jobs shadowed were doctors, politicians, engineers, journalists, businessmen, accountants, and one student worked with a producer of artificial limbs. The program proved to be quite insightful, and hopefully it aided many students in their search for the right career.

# "Ain't Misbehavin'"

Jazz group from Karamu performed a multicultural celebration

On December 10, 1992 in the Little Theater during the third period some Euclid students were treated to a multicultural celebration put on by a Jazz Trio from the Karamu Theater. The group consisted of vocalists, **Tommie Mathis** and **Felicia Landry**, **Jessee Dandy** on bass and **Dianna White** on piano. They performed selections from the production "Ain't Misbehavin'" including "Honeysuckle Rose", "That Ain't Right" and "Ain't Misbehavin'". At the conclusion of the performance several students from the audience were invited to the stage to sing along with the performers which made for a really enjoyable time for all. Some students attended workshops held after the performance, during which the life and music of **Thomas 'Fats' Waller** was discussed.

# MEMORABLE MOMENTS

## seniors disclose some of their unforgettable times at Euclid

**M**any memorable moments stood out in the minds of the class of 1993. Here are some of those times related by the seniors.

**Angee Bailey** remembered when Mr. Raicevich gave her the 3rd degree on her first day.

**Nancy Certic** remembered when she would sit in 10th grade English and make fun of the poet Carl Sandburg.

**Wendy Myles** remembered when **Scott Meyers** gave her an engagement ring at Homecoming Dance during the song, *Always*.

**Bob Lemieux** remembered when **Matt Davis** got called by the police because his license plate number was taken while turning on fire hydrants.

**Joe Mc Crone** remembered when he went golfing with **Tim Brokaw** and **Tim Kohanski** and **Tim Kohanski** threw 4 clubs into the lake and broke a 5th one.

**Matt Davis** remembered when he and **Tim Kohanski** picked up a hitch hiker who was really weird and smelled, and they messed with him and threw him out of the car somewhere in Willoughby.

**Kim Sabel** remembered when **Linda Bradley** fell down the steps and had to be carried away in a wheel chair.

**Tatiana Marteletti** remembered when Mrs. Lucas couldn't say her name correctly.

**Meredith Mihalic** remembered when **Michelle Derganc**, **Julie Pekol**, **Jean Enneper** and her went out to lunch during her freshman year and thought they were getting away with it, and thought they were so sneaky, but were caught by three teachers trying to sneak back in.

**Danno Meros** remembered when **Ken Rose** went to turn off the gas in chemistry class with a lit match and caught his sweater on fire.

**Bonika Martin** remembered when we cried together and laughed together and matured together.

**Alice Ferenac** remembered when Euclid had dances.

**Jennie Masek** remembered when she went out for lunch all the time without getting caught.

**Kevin Dietz** remembered when Mr. Von Benken exploded a condom in chemistry class.

**April Luikart**, **Wendy Richmond**, **Maggie Maurer** and many others remembered the many times when the students were outside because of fire drills and bomb scares.

**Lisa Aspinwall**, **Jennifer Brizes**, **Beka Bechtel**, **Jean Enneper**, **Michelle Derganc**, **Monica Cable** and **Amy Heuer** had a lot of fond memories of Euclid.

**Matt Davis**, **Marty Moushey**, **Stacie Evans** and **Eric Cantini** were involved in many activities at Euclid.

**Melissa Powalie**, **Denise Virant**, **Stacie Evans** and **Bob Lemieux** like to sit around and discuss the many memorable events that occurred during their years at Euclid.

**Tatiana Marteletti** helped to make memories by working on the yearbook.

# Embarrassing Moments

high school life has had it's share of embarrassing times for many seniors

Many events happen that people find embarrassing. The members of the class of 1993 were asked about things that occurred to them that they found embarrassing. Here are some of their responses.

**Kathy Walsh** was embarrassed when she got trampled with Dr. Pepper by Mr. **Walsmith**.

**Christopher Atlas** was embarrassed when he was messing around in lab and froze a super ball in liquid nitrogen and threw it down and it broke apart and one of the pieces broke the fluorescent light in the chemistry lab and Mr. **Von Benken** got mad at him.

**Eric Carlson** was embarrassed when he was in *Guys and Dolls* and it was opening night and one of the buttons on his pants popped off and he was on stage trying to hold his pants up.

**Jonnie Struna** was embarrassed when **Monica Tomazic** pulled her shorts down during basketball practice in 11th grade.

**Dawn Jerele** was embarrassed when she was a freshman cheerleader and they went to state competition in Columbus and their 'wonderful' squad came in tenth place out of ten squads.

**Daniel Burke** was embarrassed when he fell down the bleachers at a big pep rally and the whole school laughed because his pants fell down.

**Mario Covic** was embarrassed when he fell out of his chair as he was leaning back during the PSAT test.

**Jean Enneper** was embarrassed when **Denice Grant** and **Jennifer Brizes** depanted her to her ankles walking back from gym class.

**Jennife Brizes** was embarrassed when she spilled something on her shirt and was mad and yelled "Look at me!" and pointed to her shirt. Mr. **Pasquale** was right next to her and thought she was telling everyone to look at her chest. He never has let her forget it.

**Carrie Ostrander** was embarrassed when she lost her shorts going up the stairs.

**James Timmons** was embarrassed when his pants fell down in class.

**Christine Minich** was embarrassed when she first came to Euclid and didn't know her way around and went to the bathroom and accidentally walked into the men's restroom thinking it was the women's restroom.

**Melissa Parey** was embarrassed when in 10th grade she had to load 16 show flags onto the equipment truck. As she lifted them up to put on the truck they all fell on top of her and she had to march with a black eye and a fat lip.

**Chad Dulla** was embarrassed when he was running really late for school and got dressed and ran out of the house and realized he forgot to put pants on and had locked himself out.

**Mark Taylor** was embarrassed when he got hit in the face with a cymbal thrown by **Ken Rose**.

**Holly Slaybaugh** was embarrassed when she was

leaving Senior Talent Night with some friends during her sophomore year and her friend yelled out the window to the guy she liked that I wanted to jump him and all his friends were there and everyone in the lot heard her.

**Jennifer Wolchko** was embarrassed when she got up from her seat in French III and was stuck to someone's gum.

**Maria D'Amico** was embarrassed when she was performing in *Hello Dolly* and she tripped and fell backwards and pulled her partner down with her.

**Jennifer Daly** was embarrassed when she tripped at a cross-country meet.

**Miriam Hofs** was embarrassed when she tripped and fell at a home volleyball game as she entered the gym cheering.

**Mike McGuinness** was embarrassed when he jumped out a window with **Dan Burke** and **Kevin Granito** from a class where Mr. **Buanno** was substituting. They ran to Mr. **Pignatiello's** room and got caught.

**Jason Woide** was embarrassed when he hooked up the Bunsen burner to the water line instead of the gas line in chemistry class and water shot out of the burner.

**Nancy Certic** was embarrassed when she tried some of that self tanning lotion and came to school the next day looking really awful.

**Dawn Medved** was embarrassed when she went around tripping people and she almost caused a kid to crack his head open.

**Joyce Ashman** was embarrassed when she tossed her cookies at the first football game this year.

**Bob Lemieux** was embarrassed when he was a freshman at the beginning of a hockey game and they called his name and he skated out to the blue line, tripped and knocked down 2 of his teammates. Also when he was a sophomore he was playing basketball in homeroom and ran by the chalkboard and his pants got caught and they were ripped off.

**Kim Sable** was embarrassed when she was new on the swim team and she walked in the visiting guys locker room and someone was getting undressed.

**Tatiana Marteletti** was embarrassed when as a freshman she could not turn on the library computer and two guys came to help and she still didn't understand how to turn it on.

**Meredith Mihalic** was embarrassed when she fell asleep in the middle of the gym floor during basketball practice her sophomore year.

**Bonika Martin** was embarrassed when she went to a haunted house and was so scared she went to the bathroom in her clothes.

The most common embarrassing situation occurs when a person trips going up or down stairs. **Jennie Masek**, **Linda Bradley**, **Virginia Bush**, **Kevin Dietz**, **Ron Siedler**, **Jill Taplin**, **Kim Swearingen**, **Eileen Hannan**, **Carrie Clark**, **Roxanne Babic**, and **Patti Mogyorody** all said that falling on stairs was embarrassing.

**Patty Mogyorody**, **Melissa Parey**, **Todd Shuskey**, **Chris Atlas**, **Lisa Aspinwall**, **Jennifer Brizes** and **Jean Enneper** seem to be enjoying themselves now with no indication that they were ever embarrassed.

# SPRING OF '92

The 1992 Euclidian was published in May of 1992 and the last deadline for submission of material was the end of February. Because of that nothing that occurred after February, 1992 could be included in the book. This section shows some of the events that occurred after the last deadline.

# Slamming Opponents

## Baseball takes G.C.C. for sixth straight year

Once again Euclid showed itself to be a baseball school with it's sixth straight G.C.C. Championship. The Varsity ended the season with a 24-3 overall record and a perfect 14-0 record in the G.C.C. The regular season was very rewarding but the panthers lost their first tournament game to Mayfield for the second straight year.

The Junior Varsity didn't have quite as good a record as the Varsity but were still able to finish first in the G.C.C. with a 12-2 record. The freshmen team really showed promise for the future by having so many boys come out that they had to have two teams for the second year in a row. The 'Blue' team finished with a perfect record while the 'Gold' team lost only one game.

# Track and Field

## Boys get third in G.C.C.

The Boy's Track team finished another successful season in 1992 even though they did not win the conference. There were many exciting accomplishments exhibited by the members of the team. In the Regionals the team placed seventh out of 68 teams with excellent performances by Bob Lemieux in the pole vault. Pepe Pearson in the 100 and 200m dash and Brian Jordan, Pepe Pearson, Davan Jackson and Brandon Biggom in the 4X100 relay. The team was a young one with lots of hope for upcoming years.

# Ya' Gotta Love 'em tennis improves, but not much

The varsity boy's tennis team improved slightly from their 1-11-1 1991 season record but still only posted a 3-12 record. The bad news was that the G.C.C. record remained the same at 0-5. Since there were several underclassmen on the team, and the J. V. team finished with a 7-2 record, the outlook for the 1992 season looks promising.

# Well, Hello Dolly

## annual Big Show a musical success

**Hello Dolly**, set in the traditional musical setting, captured the hearts of both young and old making another Big Show a winner.

"Call on Dolly" opened the show revealing Miss Dolly Levi born Gallagher, and born match maker. Dolly (**Debra Long**) seemed to have all the answers setting everyone up and eventually getting herself a husband. Poor Ambrose Kemper, the artist, (**Michael Karabinus**) wanted to marry the wailing, but adorable, Ermengarde (**Maria D'Amico**). Ermengarde's uncle, Horace Vandergelder, would not approve. Horace (**Ben Carroll**), the crotchety old man had more important thing on his mind, such as courting Miss. Irene Molloy (**Margana Dane**). What Horace didn't know was while he was off at Molloy's Hat Shop his clerks from the Hay & Feed Store were planning to 'put on their Sunday clothes' and go to New York also. Cornelius Hackl (**Eric Dysart**) and Barnaby Tucker (**Todd Shuskey**) wanted to get an adventure out of it. Horace met Irene Molloy at her hat shop but Cornelius and Barnaby were also there to confuse things. Cornelius ended up with Irene and Barnaby ended up with Minnie Fay (**Emily Smayda**). Irene's assistant, Horace was then supposed to meet Ernestina (**Wendy Wang**) but Dolly decides that Horace should take her dead husband's place and they end up together. There was a dance contest, a court room scene and a restaurant full of galloping waiters that brought the play to a happy ending and wonderful finale.

The play was directed by Miss. **Sandi Bambic**. Mr. **Steven Alspaugh** was the orchestra and vocal director. Mrs. **Sally Parrine DeAngelo** and Mr. **Jerry Macek** choreographed the play and Mr. **Allen Black** was the technical director. Mrs **Edie Mellen** was the stage artist.

# Class of '92 had talent

## seniors showed lots of motion in their acts

**S**enior Talent Night came to Euclid High School on May 15 and 16. Masters of ceremonies were **Jennifer Melnyk, Mike Beck, Janelle Groves, Dave Cupar and Irene Dejak**. The acts consisted of students and teachers singing, dancing, acting and playing musical instruments. This was one of the many ways that the seniors raised money to defray some of the expenses of Prom. It gave the students a chance to show off their talent to their parents and classmates.

# Recognition

## seniors received lots of awards

Lewin being presented the Euclid School Secretaries Scholarship by Rosalie Fette.

Michael Witczak being presented the Jewish War Veterans award by Sam Rubin and Jack Wohl.

After school on May 19, 1992 the annual Senior Awards Program was held in the Little Theater. This was a time when the parents saw their children receive the recognition that they deserved for all the work they did both in and out of school. The awards were presented by both school administrators and people from other schools and members of the community. After the program there was a short social get-together in the E-Room.

## students from all grade levels received Citizenship awards

Citizenship and Service awards were conferred by teachers to students who showed a special interest in their class. Service awards were given to students who helped teachers do many of the things that they had to do.

Some of the students that received Citizenship and Service awards at an assembly in the auditorium on May 3, 1992 during the third period.

## senior prom gives students a chance to show off

Senior Prom was held at Landerhaven Country Club on June 3, 1992. The theme was, 'It's So Hard to Say Good-bye.' It featured the usual dancing, snacking, picture taking, prepared dinner and socializing with friends. It was the last big event before the end of the senior's days in required education. It was a time for reminiscing about events that had occurred throughout their years in school and a time to be thinking about what would be going on in the future. The atmosphere was one of enjoyment and fun.

Seniors getting ready for a good time.

Students and teachers had a good time throughout the night.

Students enjoyed an excellent meal before dancing began.

# Big Moment

## Commencement puts students out on their own

Commencement occurred on June 7, 1992 at 12:30 at the Front Row Theater. At that time approximately 386 Euclid seniors received their diplomas enabling them to begin the rest of their lives. Short presentations were made by Superintendent of Schools, **Mr. Kurt Stanic** and Principal, **Mr. William Mc Guinness**. Valedictorian, **Jennifer Melnyk** and salutatorian, **Lynn Gessler** made speeches that were very moving to most of the audience. The ceremony was very quick and was enjoyed by all.

Before the processional the candidates formed up in lines in the lobby of the Front Row.

Varsity Chorale singing several selections after the ceremonies began.

During the processional the students walked down the aisles to their respective seats.

Valedictorian, **Jennifer Melnyk** and Salutatorian, **Lynn Gessler** giving their speeches about what Euclid meant to them.

# In Memoriam

**WILLIAM M. Mc GUINNESS**

**April 27, 1945--November 29, 1992**

**Euclid High School from 1970 to 1992**

**English Teacher 1970-1979**

**English Department Chairman 1977-1979**

**Unit Principal 1979-1984**

**Associate Principal 1984-1986**

**Principal 1986-1992**

**Supervisor of Curriculum/Vocational Educational 1992**

Mr. Mc Guinness' accomplishments were many. As a measure of the man, these accomplishments matched his actual imposing stature, reflecting his deep love and affection for the students and staff members of Euclid High School and the citizens of Euclid.

As a resident of Euclid, his adopted city, he encouraged both students and staff members to reach out into the larger community of the city to show citizens that Euclid High School had a heart big enough to care about all of Euclid. Whether it was the annual Community Halloween Party for small children, the special matinee performances of Big Show for senior citizens, the Christmas holiday plays for second graders, in both parochial and public schools, the Train Show fund-raisers for train lovers everywhere, the Sports Hall of Fame for the thousands of Euclid sports fan, or the Senior Citizens Prom, Mr. Mc Guinness had an intimate involvement which ranged from either initiation of the event or hands-on supervision of the event.

As an educator who tried to bring about worthwhile change, Mr. Mc Guinness' greatest influence was not only on the intellects of those with whom he came in touch, but on their souls and psyches as well. Those who really knew him saw a warm and caring person who lived for the benefit of Euclid High School. In his role as principal, and teacher before that, he came to believe that those who come to this school, either as a student of a staff member, should have high expectations, having a "reach," in the words of the poet Robert Browning, which exceeds their "grasp, Or what's a heaven for?"

Mr. Mc Guinness' legacy will be that of a husband, father, educator and friend whose "love is," as Solomon said in the Old Testament, "as strong as death," a love so strong that it has left a "seal" on the hearts that he touched. Deservedly, he will be remembered with great fondness and respect.

Mr. Mc Guinness was always involved in the school's activities whether it was assemblies, sporting events or anything else. He will be truly missed.

## KRYSTAL BAKER

April 30, 1976--September 12, 1992

Students and staff members alike experienced shock and sorrow when Krystal died. Her gifts to the school and to her friends were many, making her loss a difficult one to bear.

Although her personal family grieved deeply, her extended family here at Euclid High School also grieved. On the first school day after Krystal passed away, Principal Bill Scoggan called for students and staff member not to struggle with the "whys of such a happening. It is important now that we provide support for Krystal's family and for each other in this time of emptiness. Krystal's wonderful contributions to her friends, her family, and her school call on us now to honor her in an atmosphere of sharing."

Krystal was an eleventh-grade member of the Class of 1994.

## Thank You

The staff of the 1993 Euclidian would like to extend thanks to all who helped to make this book possible. First and foremost, thanks have to go to the adviser, **Mr. Von Benken** for the many long hours of hard work and planning that had to be put in to get the entire operation going and to keep it going. Others to be thanked are: **Ohio School Pictures** for supplying film and processing for the many pictures that appeared in the book and for taking many of the team pictures, senior and underclass pictures. **Josten's Year-book Company** for putting it all together in such an artistic manner, **Jan Kehn** for all the time she spent arranging photography dates and supplying needed materials, the writers and photographers who contributed their time, and last but not least, the entire student body at Euclid High School without which this book could not exist.

## Disclaimer

The 1992-93 school year is history. Many interesting and significant events occurred during that time and the **Euclidian** tried to cover as many of them as possible. This was difficult due to the limited staff. If we missed something, we are sorry. We sincerely apolo-

## Colophon

650 copies of the 1993 Euclidian were printed by the **Josten's Printing and Publishing Division** at State College, Pennsylvania. The book was printed on Gloss 191 paper stock and included 48 pages of full color. All pages were created using the Aldus PageMaker® 4.2 program running on a Macintosh IIsx computer which allowed a great flexibility in the use of fonts and type sizes. The computer was running system 7.0 and had 17 megabytes of RAM and a 40 megabyte hard drive. The pages were recorded on 3.5 inch floppy disks and hard copy was printed on a Hewlett Packard LaserJet III printer. The hardcopy and disks were sent to Josten's who stripped in the photos and produced the final copy on a Linotronic printer. The cover was designed by the **Josten's Art Department**. Pages were submitted to the plant on five deadlines; November 9 and 30, January 4, February 1 and March 1. All the color pages had to be in the first deadline since their production entails so much work. Since the final deadline was in late February, nothing that occurred after that time could be included in the book.

gize for any errors or omissions that occurred in the book but you have to understand this is only a high school publication and mistakes can happen.
